## Environmental / Interactives

Bideas Creations environmental graphic design team creates defining identities for extraordinary public spaces as well as for office, educational and retail arenas for our clients. Our valued clients include government ministries, MOE schools as well as multi national brands operating in Singapore.

With clear, compelling graphics that exhibit a keen awareness of connection, context and architectural nuance, Bideas Creations design work forges a vital link between the built environment and the activities within; accentuating the subtle details and memorable elements that shape the retail experience to create a lasting and powerful sense of place.

Our scope of work include:  
Conceptualization of designs  
3D perspective and proposals  
Wall mural design and installation

School library & canteen renovation  
Foyer & facade design  
Environmental graphics and display  
Interactive & games kiosks

Display cabinets and showcases  
Signage and directional signs
